Planning the Wedding of Your Dreams?

“Life is what happens while you’re making other plans” -- John Lennon

We all live with Uncertainty; Travel Insurance protects you against life’s little mis-adventures...

Do Not Let the Unexpected Upset Your Destination Wedding...

A cancellation, interruption or trip delay can cost you your destination wedding investment and additional expenses. Travel Protection Holdings provides you with protection during your entire vacation experience. You have invested time and money in your wedding; unexpected events can risk all of that. If you can not go on your trip for a covered reason, you will be reimbursed for your prepaid expenses. It offers excellent value and combines insurance coverage with 24-hour Emergency Assistance Services and Identity Theft Protection while at your destination wedding.

Travel Protection Holdings has created a unique Wedding Insurance program which provides
“Protection” and “Peace of Mind” for you and any of your wedding guests.

Even the best-planned wedding can be impacted by the unexpected:

- You or a family member is unexpectedly ill, injured, or dies causing you to cancel the trip.
- A snowstorm strands you at the airport, delaying your trip.
- A mandatory hurricane evacuation prevents you from traveling or forces you to return home early.
